PRODUCT DESCRIPTION

The ULTIMATE arcade puzzle collection where the addictive action never stops! This massive collection includes 6 full-featured classic arcade puzzle games in 1 pack! With over 500 levels to master, these addictive matching games will keep you coming back for more.

INCLUDES

- ✂ **Drop! 2** - follow-up to the #1 selling puzzle game DROP! DROP 2 is even more amazingly addictive than the original version, with 4 ALL NEW ways to play!
- ✂ **Flipster** - Flip 'em, match 'em and make the tiles disappear in this outrageously addictive arcade game!
- ✂ **Crystal Wizard** - addictive puzzle game that will be a hit with players of all ages. Work your way through 40 increasingly challenging levels, with various objectives.
- ✂ **Pirates of Treasure Island** - shape up or walk the plank in this arcade pirate adventure! Remove groups of coins to move on to the next level.
- ✂ **Penguin Puzzle** - fast-paced arcade and puzzle action! A blizzard has hit the North Pole and penguins, polar bears, seals and other creatures of the North are frozen in ice cubes! Slide 4 to 6 of the same colour cubes together to release the creatures inside!
- ✂ **Bears & Bees** - a unique arcade puzzle game that will keep you coming back for more. Eliminate honey from the hive by moving 3 of the same coloured honey cells to form a triangle. Move fast to free the bear before he gets hungry!
